

Why Create a Lasting Legacy?

- ▶ To make a remarkable difference in the lives of Samaritan's patients and their families for generations to come
- ▶ To join with other community members in demonstrating your commitment to the humanitarian mission of Samaritan Healthcare & Hospice
- ▶ To insure that care for all who need our specialized services is an ongoing legacy our community can depend on
- ▶ To take advantage of the potential benefits of charitable estate planning

Give with Assurance

The **Samaritan Legacy Society** is under the direction of our Development Office and guided by the Planned Giving Committee – a volunteer group of the region's leading financial professionals. These dedicated volunteers lend their time and expertise to steward your gifts to advance Samaritan's charitable mission.

Samaritan, South Jersey's first hospice, has been caring for patients and their families coping with life-limiting illness and grief since 1980. Originally named Hospice of Burlington County, the not-for-profit organization has grown to provide care through a diverse Family of Services throughout a five-county, 2,200 square-mile service area.

Samaritan provides care wherever a person calls home, whether that is their own home or a family member's, an assisted living facility or a nursing home, without regard for their ability to pay.

Hospice services include an interdisciplinary team of healthcare professionals as well as relevant medications, supplies, and equipment – delivered right to the patient's door. We also provide inpatient hospice care for those whose pain or symptoms require short-term, continuously supervised care; as well as grief counseling.

*Legacy
Society*

Your Special Invitation...

We invite you to join the **Samaritan Legacy Society**. This special society was created to recognize the many loyal friends who have established a personal legacy in support of Samaritan's patients and families, by making a provision in their will or estate plan.

Samaritan's leadership, staff, and volunteers commit themselves to providing unparalleled care to meet the physical, emotional, and spiritual needs of our patients and the loved ones who care for them.

Thanks to the generous support of our donors, Samaritan also consistently goes above and beyond to offer additional services that are not reimbursed by Medicare or other payers. These comforting services include massage, music, and other complementary therapies, grief counseling and support groups, and transitional services and resources for those not yet eligible for hospice.

By leaving a Samaritan legacy, you help ensure that our supportive services will be there for all who need our care in the future.

Samaritan Healthcare & Hospice is a 501(c)(3) non-profit organization, making your gift eligible for a tax deduction, as allowed by law.
