Clay Heart Keepsakes

Thank you for helping us comfort our families

This special and unique gift helps to memorialize and honor a family's loved one who just passed away on Samaritan's services. Staff presents the clay hearts as part of a ritual by placing the heart in the caregiver's hand and reciting the beautiful verse that comes with each heart.

Please always include a note with your first/last name, address, email and phone number.

We respectfully ask that you strictly follow these guidelines:

HEART SIZE:

1.5" wide and 1/4" thick — We are unable to use any other size.

INSTRUCTIONS:

- **Make hearts 1/4" thick** — durability is better than quantity
- Marbled (mix) multiple colors together
No solid-colored hearts
Use black and brown clay sparingly
Do NOT coat with any type of glaze or spray
- Flatten clay and cut out with 1.5" mini heart cookie cutter; check your cutter hinge — some hearts may cause clay to have rough notches near point of heart, please smooth out before baking
- Bake at 275 degrees for 15 minutes per 1/4".
The hearts don't spread like cookies, so you can load the tray
- Let cool and they are done!

Deliver or Mail Hearts to:

Samaritan, Volunteer Department
3906 Church Road, Mount Laurel, NJ 08054
Monday - Friday, 8:30am - 4:30pm
